RE: Miller Parrott Tax Abatement

To Whom It May Concern –

In response to the letter send on April 18, 2018, we provide the following update.

The Miller Parrott project is not yet completed. An award of rental housing tax credits was received from the Indiana Housing and Community Development Authority in February of 2018, which allows the project to move forward. We anticipate beginning construction in January 2019 and placing the buildings in service by the third quarter of 2020.

If you have any additional questions, please let us know.

Kindest,

Julie Collier
